

July 24, 2020

Dear Families,

We are pleased to inform you that as of August, we will be resuming our new admission and annual care conferences. Given the restrictions in place as a result of the pandemic, families will have two options for these conferences. Conferences can be held by teleconference or by Zoom video which includes live video of the multidisciplinary team members including the attending physician. We are working to catch up on all of the care conferences that have been missed, so we ask for your patience as it will take several months to complete this process.

As we move forward with Zoom or teleconference care conferences, we ask that you confirm the date and time with the nursing administrative assistant as soon as possible by calling 416-536-7122 ext. 279. Your prompt response will allow us to reserve your appointment and send you the appropriate contact information.

Thank you for your continuing support.

Yours Truly,

Roxanne Adams
Administrator
